

d-Color MF3000

A4 FULL COLOUR MFP

Preliminary Datasheet

olivetti

The **d-Color MF3000** joins the Olivetti line-up as one of the most sought-after colour MFPs on the market.

Printing and copying in colour and mono at **30ppm**, the **d-Color MF3000** will complement Olivetti's existing range of A3 colour MFPs with its exceptional quality, low running costs and features to enhance productivity and security within small offices and workgroups.

The d-Color MF3000 is a **printer, copier, scanner and fax machine**, in one very compact machine. 100% duplex speed is maintained at 30ppm through the ADF and duplex unit and it scans quickly, in PDF, JPEG, XPS and TIFF format, to email, FTP, HDD, USB and SMB.

What is also impressive about this new model is it offers a highly efficient management system, through the latest **PageScope Enterprise Suite**, which enables users to save time, money and improve their productivity through the integrated suite of software applications.

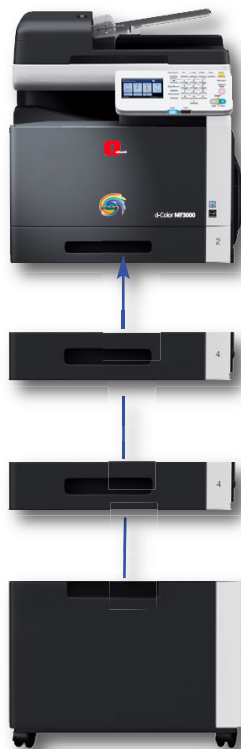

As one of the most compact colour MFPs in its class, the **d-Color MF3000** offers standard duplex, standard paper capacity of 250 sheets and an option of 2 extra paper cassettes, each handling up to 500 sheets. It is delivered with a 1.5GB RAM and a 120GB hard-drive, as well as PCL, Postscript, XPS and PDF 1.7 support, thanks to its 800 MHz Emperon processor. The **d-Color MF3000** supports standard 1GB Ethernet and a peer-to-peer USB 2.0 connection.

d-Color MF3000

SPECIFICATION

OPTIONS & CONFIGURATION

PF-P108
1 x Paper Tray

PF-P108
1 x Paper Tray

Simple Cabinet

COPIER FUNCTIONS

Technology	Laser
Max Paper size	A4 (140x149 to 216x356 mm)
Warm-up Time	45 sec power on, 35 ready
Memory	1,500 MB
Hard Disk	Standard 120 GB
Paper Input Capacity	250 + 100 Sheets (1,350 max)
Paper weight	60 - 210 gsm
Output Paper Tray	250 Sheets
Document Feeder	RADF 50 Sheets
Duplex Unit	Standard
Dimensions (W x D x H)	555 x 508 x 550 mm
Weight	39 kg
Display	4.3" Touch Screen
Options	2 x 500 Sheet Trays
Copying Speed Mono	30 / 30 cpm
First Copy Time	10.1 sec (mono), 12 sec (colour)
Copy Resolution (dpi)	600 x 600 dpi
Zoom Range	25-400%
Continuous Copy	1 - 999

SUPPLIES*

Starter Kit K / CMY	6,000 / 6,000
Standard Toner K / CMY	6,000 / 6,000
Drum Unit CMYK	30,000 / 30,000
Fuser Life	100,000
Belt Life	100,000
Waste Toner Box	36,000 mono, 9,000 colour

PRINTER

Speed in mono/colour	30 / 30 ppm
Printing Resolution (dpi)	600 x 600 x 3 bit
Processor Speed	800 MHz
Printer Interface	USB 2.0 Hi-Speed, Host USB
Network Interface	Standard 1GB Ethernet
Printer Emulation	PCL5c/6, PS3, PDF 1.7, XPS, Dir.Print
Operating Systems	Windows, Macintosh, Linux
First Print Out Time	12.9 seconds

SCANNER

Standard / Option	Standard Colour Scanning
Scanning Speed	30 / 30 opm
Scanner Driver / Protocol	TWAIN / WIA
Optical Resolution (dpi)	600 x 600 dpi (4, 800 dpi)
Advanced Features	Scan-to-email / SMB / FTP / HDD / USB / LDAP

FAX

Standard / Option	Standard
Compatibility	Super G3
Modem Speed	33.6 kbps
Compression System	MH / MR / MMR /JBIG
1-Touch/Speed/Group Key	2000 / 100
Advanced Features	Duplex Transmission, Internet Fax, PC Fax

*Based on continuous printing
