## d-COPIA 403MF and 404MF

### MONOCHROME A4 MULTIFUNCTIONAL SYSTEMS

Intended for medium-large workgroups and individual users with particularly exacting requirements, the d-Copia 403MF and d-Copia 404MF are robust A4 monochrome multifunctional systems offering **high productivity**.

Both systems feature standard print, copy and scan functions, and the d-Copia 404MF also provides a SuperG3 fax. A print **speed** of 40 ppm and a scan speed of 35 opm, in mono and 13 opm in colour, at 600dpi, streamline office work, while the maximum optional paper capacity of 2,100 A4 sheets guarantees **outstanding flexibility**.

The d-Copia 403MF and d-Copia 404MF provide **advanced IPsec, SSL and LDAP** functions for full network security, and facilitate document sharing through scan-to-email, FTP, USB.

The high-capacity toner and 300,000 page drum minimise running costs and reduce the impact on the environment, to deliver high quality and savings.
